Tom-
It was nice having you in Geometry this year. Mr. Rothey was a real "great" guy. Maybe we will have alg. 3+4 together. See ya -
Tanya '82

Tom,
Geometry has been a real crackup Mr Rothey really has an interesting class. Thanks for being nice to me & take care, and good luck to you always
Love ya bunches!

Tom,
Well its Advisory time again (another 30 minutes of silence) I would motion something about S.C. but J.J. is right here. Have a great summer
Kathy '82

Tom,
Wasn't Geometry fun? What a jerk. But it still was a fun class! Everyone burning on Ray! Hah. Well I sure hope Algebra 3-4 is better than it was. It will be a long 10 The Big K isn't teaching it. Have a fun summer

The Beauty of Horizon High School . . .

Nineteen-hundred and eighty two has been a year of progress and change; adjustments and additions. This was the year of the Huskies!

The gathering of ex-Trojans and Matadors left many people longing for their home and old friends. It wasn't long before they realized Horizon was their new home, the home of the Huskies!

As Horizon High School developed, the students, faculty and board created a Heritage for us all to be proud of.

With the drastic increase in student population over the summer, many new faces brought plenty of new interests and involvements.

The Power of the Green and Gold . . .

When the students at Horizon became more active in the growth of the school, it gave everyone mutual respect for one another. A feeling of belonging and caring for each other created a high level of spirit.

Though the seniors had many decisions to make concerning their future (keeping up grades and taking entrance exams), they always managed to be present at games, dances, parties and other social affairs.

Graduation night — the ultimate for any senior — is to realize the past four years meant something to everyone they shared their time with. The HORIZON HERITAGE won't be forgotten 'somewhere in time'.

Season Opener Avenges Trojans 28-0

Horizon students began showing spirit the day of the game at the pep assembly. "We are the Huskies!" could be heard as varsity football player Ray Green led the cheer. At the game, stands were jampacked with students, teachers and families all rooting for the Huskies. The Huskies didn't let their fans down. They won 28-0 with touchdowns by Ray Green, Tom Keating, Mark Trafton and Scott Carroll.

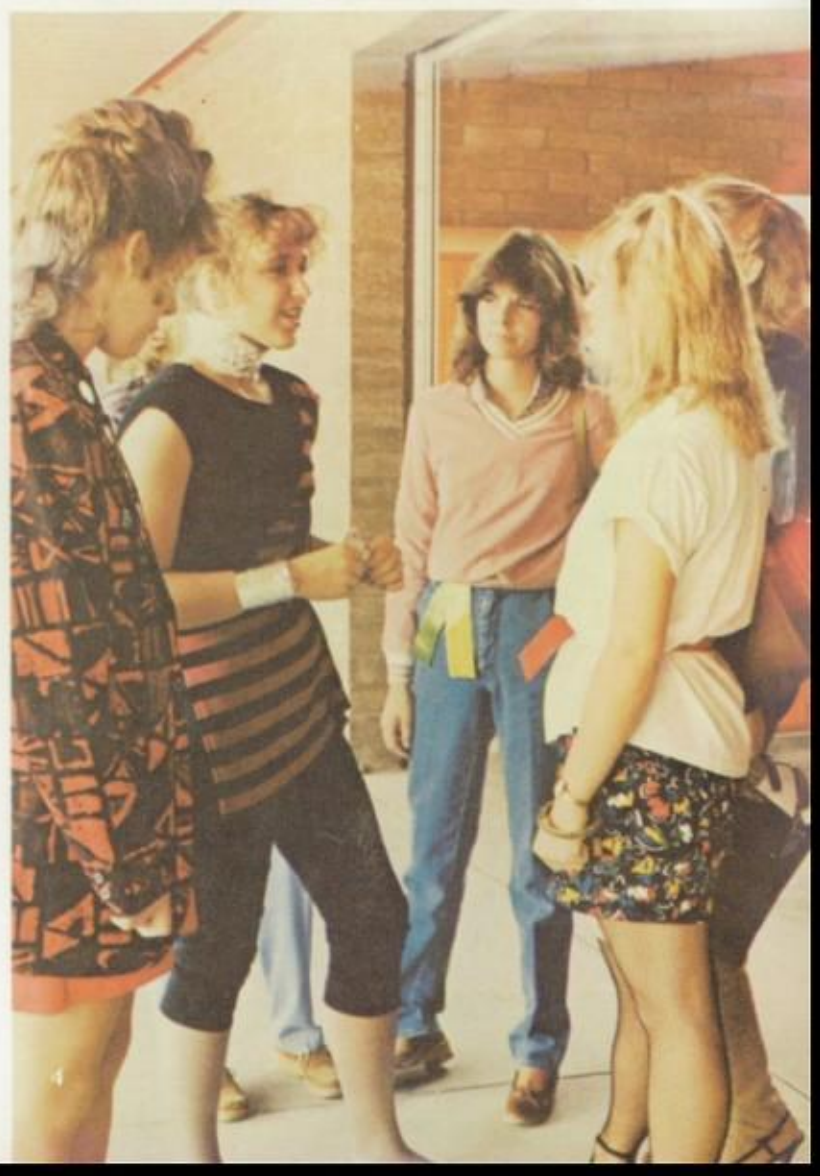
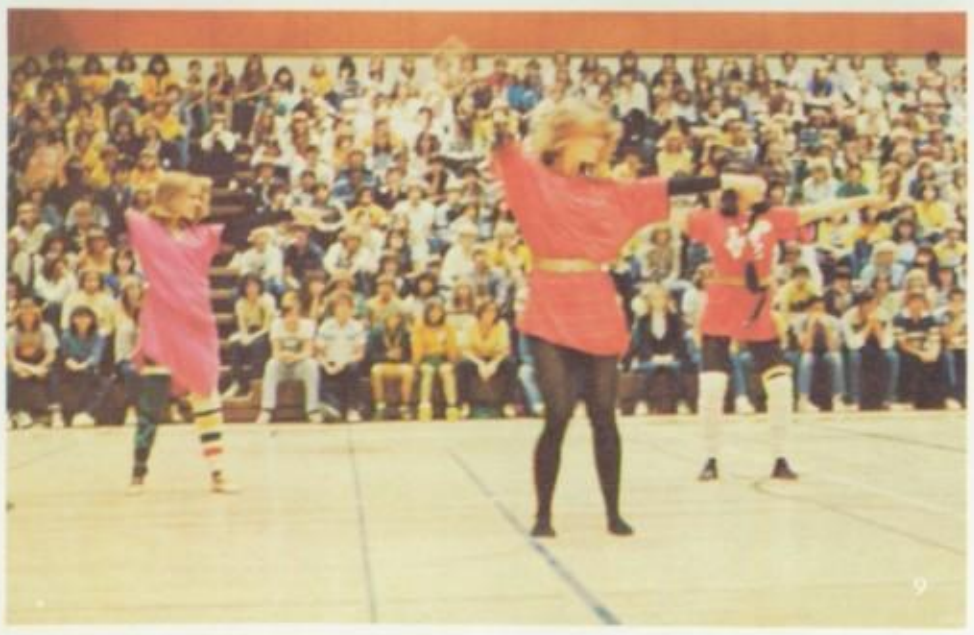
1) The Huskies line up as they are introduced. 2) Senior Nate Free introduces the next act at the assembly. 3) Math teacher Ms. Rodgers dresses in green and gold to show her spirit. 4) The Huskies and the Trojans take to the field for the game. 5) The thrill of victory is displayed by Mike Reddington, 12, and Mike Fisher, 64. 6) Husky mascots Gina Roberts and Dee Dee Curran pose for a picture. 7) Horizon students danced after their victory over the Trojans. 8) Pom and cheer discuss the game after the final play. 9) Spirit was "sky high" at the first Horizon dance held after the game.

Spirit at Horizon skyrocketed during the first Homecoming. Students participated in high-risk events all week to carry out the Disneyland theme. Monday started with the basic western dress from Frontierland. The rule of no hats was broken in order to top off a booted cowboy or girl. Lunch activities consisted of a watermelon eating contest. Tuesday the focus switched to Adventureland and Pirates of the Caribbean. California Surfers entered the ugly Vans contest after destroying their vans and sported OP's and Pirate garb. Wednesday featured Mickey Mouse and the Disneyland characters. Fans showed up with mouse ears and pictures were taken with Mickey during lunch. Thursday proved to be the most popular day with a visit to Tomorrowland when the "punkers" showed up. Punkers wormed all day and pogoed at lunch to a punk DJ. Spray paint and glitter adorned hair while mini-skirts and leg warmers completed the costumes. Friday concluded the week with the traditional Green and Gold Day dress. Wearing green and gold has become a routine for Friday, however, some went to extremes with green and gold hair and painted faces. Spirit week concluded with the Homecoming assembly in preparation for the big game.



Spirit Skyrockets for Homecoming Week



1) Class volunteers participate in a wraping contest at the pep assembly. 2) A punked out Ms. Bennett poses for the camera. 3) Madrigal singers perform for the student body. 4) Kim Kern and Jeannie Warneke talk with other Punk Rockers. 5) Frosh bunny hops through Wednesday. 6) Nina plays for the singers during the assembly. 7) Melanie Ross dressed as Mickey Mouse on Disney Day. 8) Tara Luke has the longest hair in the scavenger hunt. 9) Pom pon performs a punk routine to "Super Freak." 10) Seniors worked long into Thursday night to complete their float.

Spirit week ended and Homecoming began with the pep assembly on Friday morning and the crowning of the King and Queen to reign over the game and dance. The pep assembly began with several class contests in the form of scavenger hunts to find people with the longest finger nails, longest hair, best tan and hairiest legs. Other features of the assembly were a madrigal group from the music department performing for the first time before the student body. The finale of the assembly was the crowning of King Scott Carroll and Queen Chris Galindo. All of this led up to the game between the Horizon Huskies and the Casa Grande Cougars. Husky varsity football did it again for the eighth time by pounding the cougars 32-14. The evening finished with a victory dance to celebrate a winning season and the first Homecoming for Horizon students.

Each Day Life Offers Mystery and Wonder

Throughout a person's life one remembers their high school days. They will look back on the days of smiling faces and friends they grew up with as they reach for that dusty old yearbook packed away. Thumbing through the pages of time, one recalls memories of the past. Now as the first graduating class of Horizon High School ventures out into the world, they must remember that someday too, they will be holding those memories. But the memories for Horizon seniors aren't only of Horizon. Most were transferred from Paradise Valley and Shadow Mountain in the middle of their high school careers. But moving the memories with them, the class of '82 adjusted and started over. Being the first graduating class gave seniors a sense of accomplishment, knowing they set the tradition for future classes to follow.

The Junior Class of Horizon High School participated in many activities this year. Horizon Juniors experienced their first homecoming. During spirit week, juniors participated in dressing up to correspond with the different days planned by Student Council. They also won first place in the first annual float competition. and received a plaque to be displayed in the trophy case. The Student Council helped the juniors out by donating $1,000 to the Prom Committee, this along with several fundraisers financed the prom. Money should have been earned since their Freshman year but, because of the confusion of starting at Horizon as Sophomores, they earned very little money.

Row 1 — Cathy Johnson, Jodi Humrich. Row 2 — Stephanie Rothstein, Kim Wagoner.

Sophomores Add to Funds for '83 Prom.

Sophomore officers; Treasurer, Kellie Laursen; Vice President, Carol Waltz; President, Cathy Fulton. Not pictured, Secretary, Cassandra Renfro.

The Sophomore Class sponsored two activities. They held a spring dance and they planned an outing to Big Surf in June which only Sophomores could attend. With $300.00 left in the treasury from freshman year, they continued to raise money for their prom. They had bake sales and sold Horizon pennents at the concession stand during football season.

Energetic Frosh Plan Financial Future

Officers — Gina Plescia, Chris Danowski, Betty Crane and Jennifer Camano.

The Class of 1985 is very hard working and energetic according to Mrs. Brown. They have sold school sweaters, candy apples, and are planning a few more food sales. The Frosh float won third place in the 1981 Homecoming parade. The class is led by officers Jennifer Camano, Betty Crane, Chris Danowski, Gina Plescia. Frosh are earning as much as possible so that they will be able to finance there Junior Prom.

SENIOR MOST
is a tradition at
every school but it
is just beginning with
Horizon's first seniors.
Ballots were given to all
Seniors in Government and
Economics classes. They
were filled out and handed
in to be tallied. Two were
selected for each of the
areas and photos were
taken for yearbook to
be saved and checked
at the reunion.

Done Most for Senior Class
Nate Free and Erin Carr

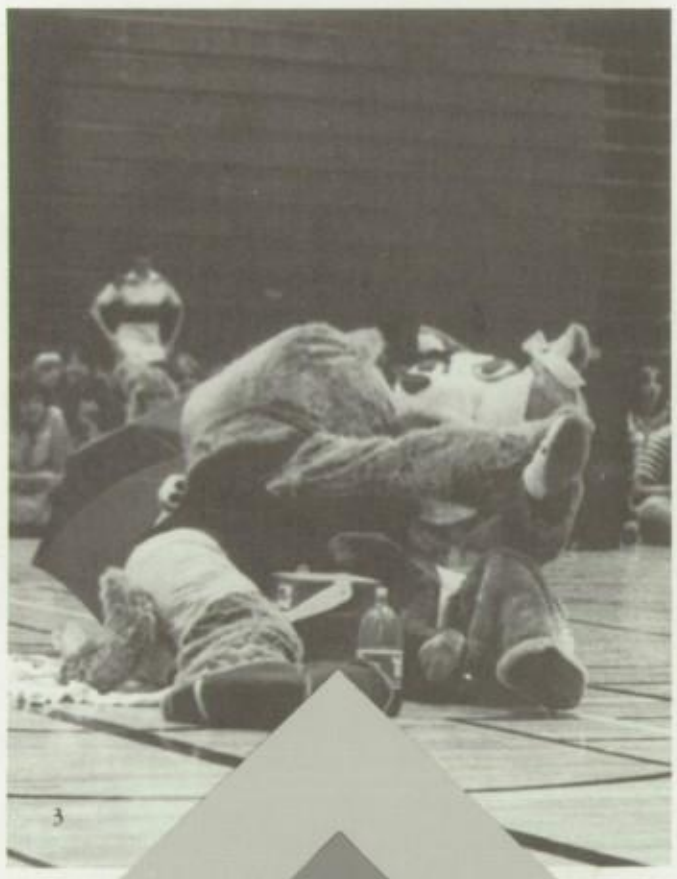
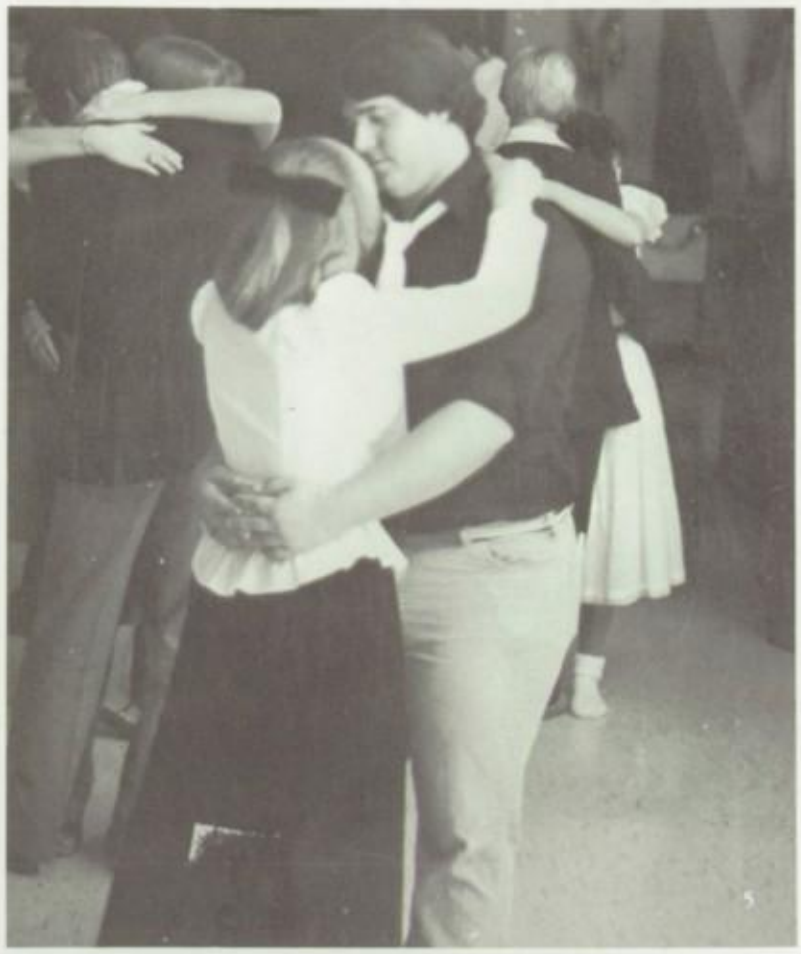
Football Victory Dances attract Students

Because of the growing size of the student body, more activities were needed to satisfy the student's needs. Most activities consisted of dances and assemblies. Football victory dances were especially successful along with several formal dances. Dances were planned by Student Council along with most of the assemblies which were to encourage support of athletics.





1) Varsity Cheer performs at football rally. 2) Coach Gray gets an unexpected good luck from Student Council. 3) The Husky mascot "Goes for it". 4) Mike Barrett, Jim Hearn, and friends enjoy the Christmas dance. 5) Mark Conway and Beth Free dance to the music. 6) Mark Doughty and Leanne Myers have a good time. 7) Mike and Dianne dance the last dance.

Royalty Crowned for the 81-82 Year

Homecoming Royalty was crowned October 30 during a coronation assembly because Coach Gray wanted the football players to remain in the locker room at halftime. Standins took the place of players. Sweetheart Royalty Dee Dee Curran and Tony Joseph were crowned Senior Sweethearts to reign.

1) Varsity Football Player, Bob Bjordahl and Sherry Valentino were first attendants for 1981 Homecoming Royalty. Second attendants were pom girl, Michelle Chamberlain and Nate Free who is a member of Student Council. 2) The third attendants were Varsity Football Player Scott Fulmer and Cassy Handorff, captain of the pom line. Pom girl Patty Pierson and band member Mike Esmay were the fourth attendants for 1981 Homecoming Royalty. 3) Scott Caroll and Chris Galindo were crowned as Horizons first king and queen. 4) 1982 Queen and King were Deedee Curran and Tony Joseph, for Sweetheart Royalty. 5) Senior attendants were John Smithbaker and Betsy Hearn. The Junior sweethearts were Gina Roberts and Mark Marsillo. 6) The Sophomore attendants were Paul Bryant and Kelly Laursen. Erika Carpenter and Ricky Busbee were Freshman attendants for 1982 Sweetheart Royalty.

P.V. Growth Provides Student Employment

The city has experienced rapid expansion since the opening of the PV Mall. Along with the increasing number of homes being built in this area, several new businesses have opened. Now with the first graduating class, there are many more students to fill both the part-time and full-time jobs. This city growth provides excellent opportunity.

1) Junior Jeff Snell packages groceries at Safeway. 2) Junior Tom Rubel cleans after a long day at Swensen's. 3) Junior Marina Sampanes helps customer at Eileens. 4) Karen Carroll and Margie Wiess set up for the next day at Swensen's. 5) Senior Pam Homme prepares a dinner at Chick-n-Filet. 6) First Federal Bank is one of the few buildings being built in the area.

Talented Students Achieve High Honors

Many talented gifted students attain high honors and recognition for achievements in arts, music, foreign language and academic achievement overall. These students are recognized not only for their individual success but for the honor they bring to the whole student body. The tradition set is inspiring.

1) These students are Horizon's 4.0 and above Seniors: John Ivens, Nancy Murney, Kassy Handorf, Kristen Barrett, Stacey Taft, Karen Soper, and Chris Lenczycki. 2) Dixie Smith, Pete Kern, Dave Druzyski, Ruth Fowle were All-State Music. 3) Ex-3) Exceptional Award Merits go to 1st place winners: Robin Ericson, Wendy Morris, Jason Gall and 2nd place winners: Wendy Morris and Colleen Smith. 4) German Club students came in the top 5% of the German Club Contest. They are Petra Carlson — 94%, Steve Borst — 97%, Helene Buhr — 9. 5) Jill Bremer worked hard to become the National Merit Scholar. 6) Colleen Weber, Scott Wilkinson, and Theresa Hennessey won the Optomist Art Awards at the State Fair. 7) Mike Huffman and Val Smith were awarded Honorable Mention and Doug Champayne and Theresa Hennessey placed 3rd in the State Fair Art Competition.

Horizon Athletes Honored For Sports

This was the first year for Horizon Athletes to be honored for making All Divisional and All State teams in fall and winter sports. Athletes were honored for outstanding participation in football, swimming, diving, volleyball and wrestling. Dr. Gleason said, "It sets the tone of excellence for everyone."

1)Cheryl Miller and Trina Leapold made All Division in Cross Country. 2) Renee Pocaro was All Division diving and Wendy Keller was All State swimming. 3) All Division football players were Rob Conrad, Ray Green, John Smithbaker, Bob Jordan, and Lee Anderson. 4)Terri Reimers and Stephanie Lloyd made All Division Volleyball. 5) All Division Softball players were Sheila Winchell, Terri Reimers, and Leanne Rambon (not pictured). 6)Shelly Ferman was All Division Badmitten and Brad Schoweberg was All Division in Golf.

Student Council Leads School Activities

Paul Bryant is this years Vice President. He feels his main responsibilities as a member of the executive board is to "act as a student body voice and to encourage his own and students ideas to better Horizon."

The goals student council made for this year is to help keep the spirit going. Throughout the year student council was responsible for many activities: Planning fund raisers, directing homecoming activities, and working in concession stands. One of the activities that student council exceeded in was the Christmas dance. It took them one month of staying after school and working weekends to prepare a dance that was attended by 400 people.

Student council also has the responsibilities for deciding when each club has a function and on which day so there isn't a conflict.

Once a month student government meets with representatives from each club orgainzation to discuss what would be happening in the month to come and what days would be open for fund raisers or activities.

Officers Row 1 — David Basinger, Dan Bechtel, Paul Bryant. Row 2 — Debi Hope, Nancy Shetko, Janet Bryant, Melanie Ross.

1) Donna Case and Cindy Russell discuss fund raising ideas. 2) Student Council's Christmas dance was enjoyed by students like Todd Sulliman and Maria Heagney. 3) A hairy legs contest was held at an assembly given by student council. 4) Mr. Wells and Dan Bechtel share a moment of humor. 5) Valentines dance plans are discussed by Debi Hope, Nate Free, Holly Tough, Sherri Dalessio and Laura Lovato. 6) John Collins and Paul Bryant prepare decorations for the Christmas dance.

Clubs Learn Different Business Skills

COE — Row 1 — Stephanie Birkett, Judy Bliven, Chris Seiter, Frances LaSpisa, Jeannine Huesing. Row 2 — Michelle Rasmussen, Lauren Hoffman, Christy Dryer, Denice Kozall, Mrs. Pasley.

DECA, Distributive Education Clubs of America gives students a chance to develop business skills through participation in leadership, civic and competitive activities. Students have fundraising activities which enable them to attend local, state and national conferences designed to help them prepare for marketing careers. All the students have jobs.

COE, Cooperative Office Education, provides for the coordination of classroom study and on-the-job-training. Students have their schedules arranged so that they attend classes part of the day. This program provides training for office careers through the cooperative education approach between business and school. Both COE and DECA are only open to Juniors and Seniors.

FBLA, Future Business Leaders of America, raises money for business students to compete in business competition at regional FBLA events. The goal of FBLA is to become better business people and to gain leadership abilities. FBLA is open to anyone with a business course.

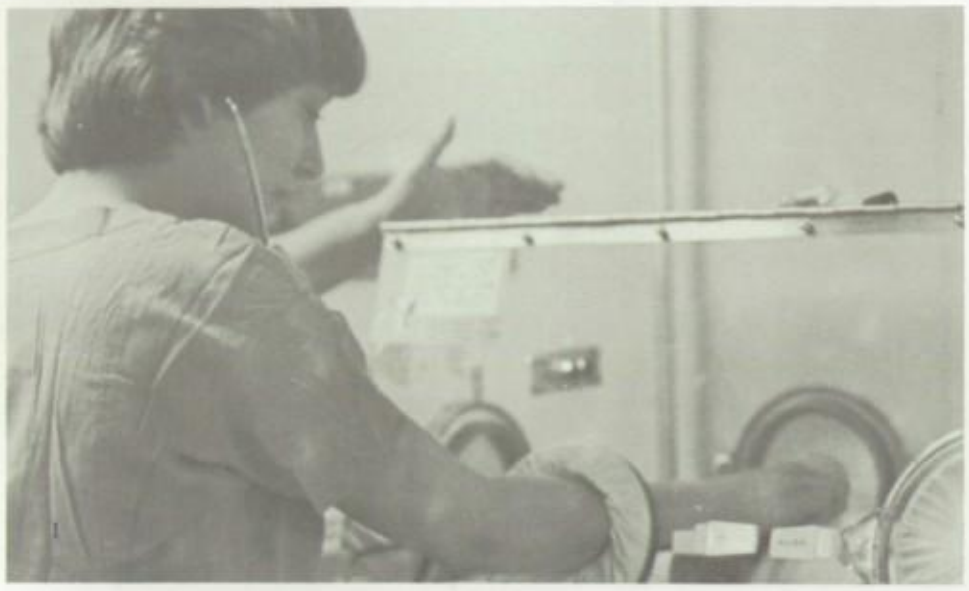
Students Learn Skills Through Hospital



Mrs. Morrison teaches two medical related classes, Medical Career Science and Health Occupation and Sciences. The Medical Career class offers a firsthand look into all medical professions. Class work consists of learning certain skills such as Cardiopulmonary Resuscitation which is necessary for participating in the labs at the hospital. The Health Occupation and Sciences is a two hour block. The students go to the Doctors Hospital three times a week to work in a laboratory experience, such as physical therapy. When they finish the course, the students will receive a certificate of their studies. The Vital Signs club explores the medical fields and is for students interested in medical related fields.

This year's computer club, sponsored by Mrs. Bloomquist and Mr. Meier, is for students who are planning to enter the field of computers. There were 9 Apple computers added this year, making 12. The computer club is growing rapidly with 40 people this year led by president Chris Handorf. Fund raisers this year were two candy sales and computer banner calendars. With the money earned more equipment was purchased for the future. National Honor Society is an organization recognizing the achievements of Horizon's outstanding Juniors and Seniors. Membership is based on the qualities of scholarship, service, leadership, and character, and is determined by the faculty in a special screening process. A formal induction of new members is held in the spring.

Language Clubs Explore Many Cultures.

The foreign Languages have one thing in common, each of them wants to introduce their culture to interested members. This year's German club participated in such activities as a foreign language picnic at Roadrunner Park along with the Spanish and French Clubs. They also visited German restaurants and saw German films and plays. The French club, known as "Les Copains" meaning friends, has participated in fundraising activities along with dining at French restaurants. The Spanish clubs activities include selling cheese crisps, stocking grams during Christmas, donating clothing to a family, having a Christmas dinner, participating in the Children's hour at Paradise Valley Mall and traveling to Nogales for a shopping spree. The two year old Spanish Honor Society has participated in fund raisers, Holiday Shopping trip to Nogales, a canned food drive, gave Christmas to a family in Guadalupe, Arizona, participated in the Homecoming parade and has inducted new members and held a banquet.

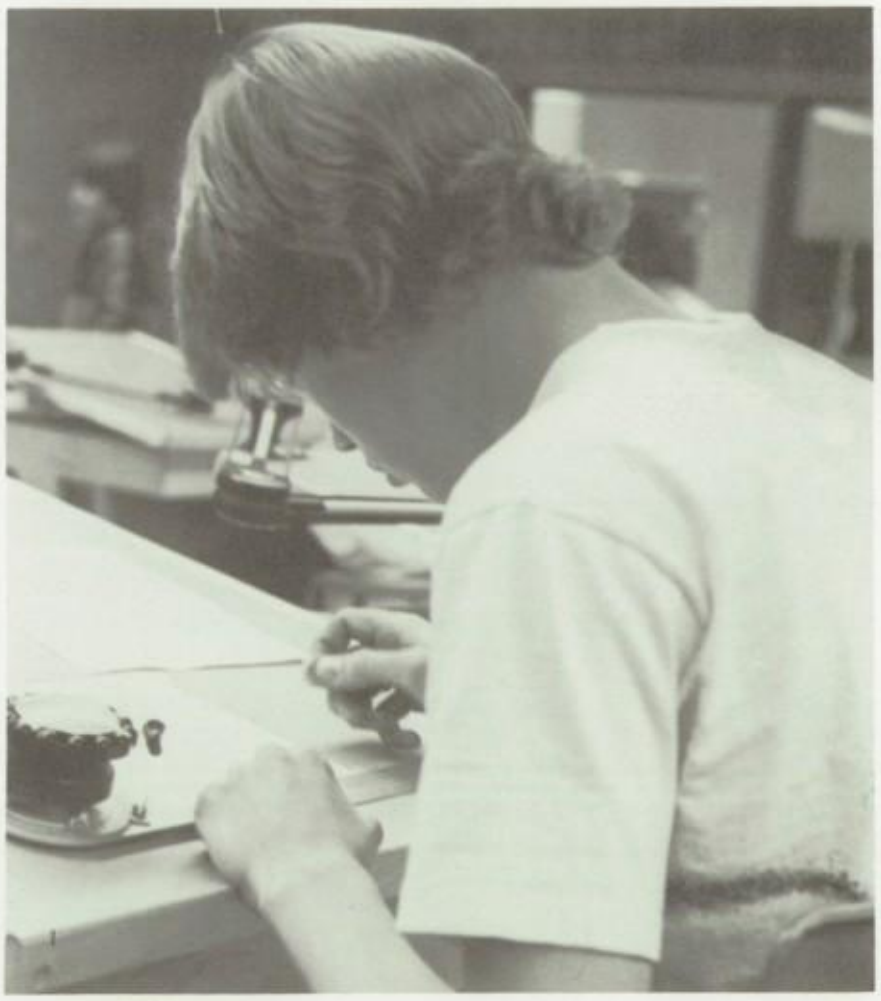
ICE, VICA Offer Vocational Experience

Top: Brian Johnson, Tom Queen, Michelle Amara, Becky Barnett, Don Eggen, Mark Travallini, Karen O'Brien, Dennis Rose, Charles Ward, Mr. Scott Sanford.

Horizon High School has added many new clubs this year and two of them are ICE and VICA. Industrial Cooperative Education (ICE) and Vocational Industrial Clubs of America (VICA) help students find jobs in fields they desire. A new program has been initiated this year called Classroom instruction. This is coordinated with on-the-job experience and is supported by an active VICA. This program has an advantage for students because they do not only receive a grade for the class but also they receive a salary from there appointed job.

Mr. Hildenbrandt, sponsor of these clubs states, "We try our best to prepare these students for the working world ahead of them and we are planning more new programs to further fit the specific needs of students for next year and beyond."



1) Mike Molzen graphs new designs. 2) Tom Queen prepares to build a new invention. 3) Jim Acuna decides on a vertical or horizontal line. 4) Doug Champagne shows talent on the welder. 5) Don Eggen spray paints his final production. 6) Mark Williams works on project in metals class. 7) VICA student, Dennis Rose, hammers work in woods class.

HE Clubs Prepare Students For Future

HERO (Home Economics Related Occupations) helps get students ready for life after graduation. Students in HERO must have average grades, good attendance, a teacher recommendation and go through an interview with the HERO advisor, besides having an interest in a career related to Home Economics. All HERO students hold a Home Economics related job to help their understanding of the career they are interested in.

The Home Economics Club has spent a lot of time helping other people. Some of their projects include making Easter baskets for a nursing home, stockings and other treats for students at Devereux. They also sold Turkey Grams at Thanksgiving and many other projects. Anyone interested in Home Economics may join the club, Mrs. Searles stated.

Pep Club And Pom Line Shout It Out

Maintaining organization throughout the year Mrs. Griffen kept the Pep Club busy by holding down the snack bar at the basketball games and a twice a week meeting. After spring selections, PomPon began by putting in a very full summer with practice every morning from 5:30-7:30. The long and hard practices paid off when they returned home from the NCA camp in Santa Barbara, California as winners. A spirit stick, a unity award, and 35 blue ribbons were awarded to the Pom line. Pom puts in an average of 12 hours of practice a week. The Poms performs at all the Varsity football and basketball games and at assemblies.

The 1981 football season was a complete turn around from last year. The Huskies defeated nine of the ten teams in regular season play. Horizon clenched a spot in the playoffs by defeating Casa Grande in their eighth game. HHS was the first Paradise Valley High School to make it to the play-offs. In the play-offs, the Huskies defeated Central and quickly advanced to quarter-final play. The second play-off game proved too tough when the Mesa High team outplayed the Huskies. Huskies finished their season in the top eight in the state, with a record of 10-2. The successful season provided several Husky players the honor of being named to All-Conference. John Smithbaker, defensive back 1st team; Bob Bjordalh, receiver 1st team; Jeff Zein, offensive guard 2nd team; Mark Traften, receiver; Gary Chitcowski, defensive linebaker; and Tom Keating, defensive tackle; Pat O'Donnel, offensive guard both honorable mention.

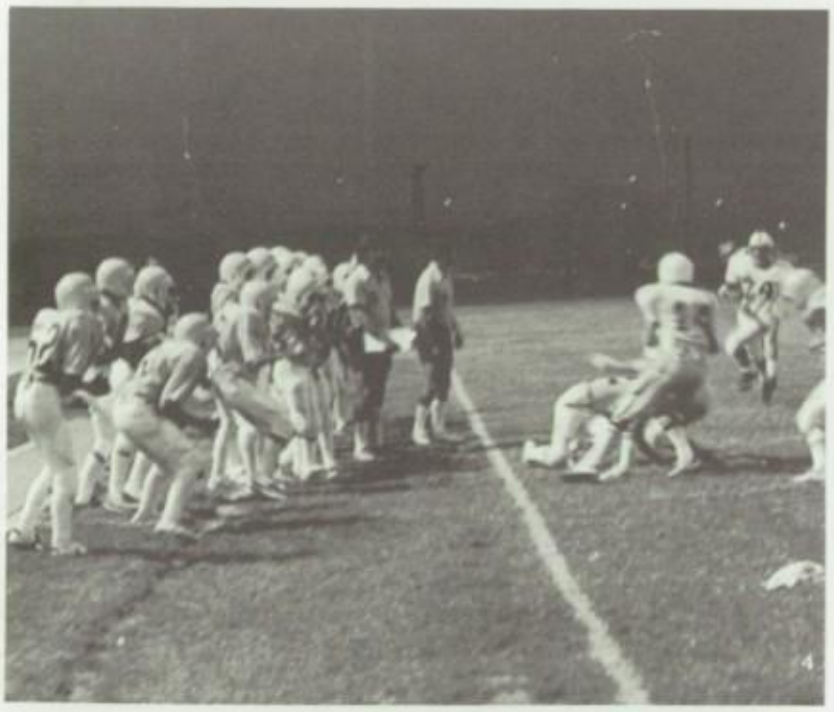
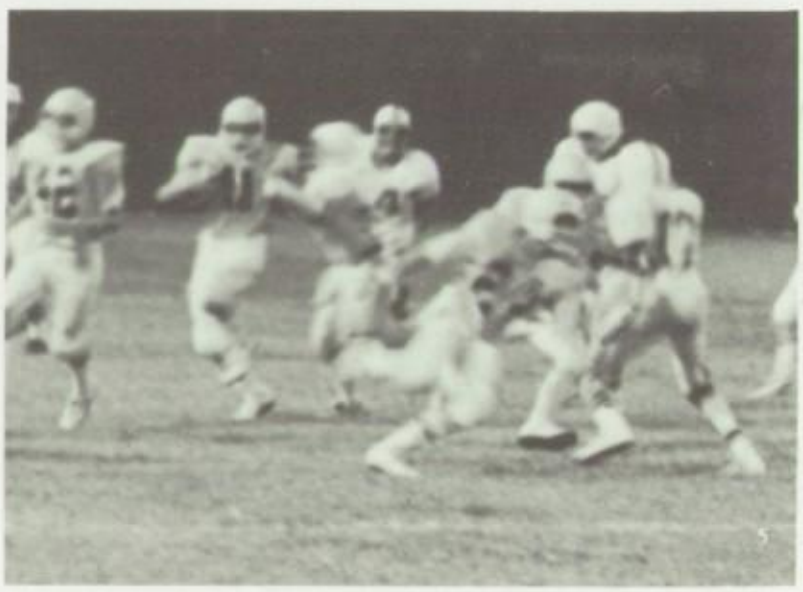
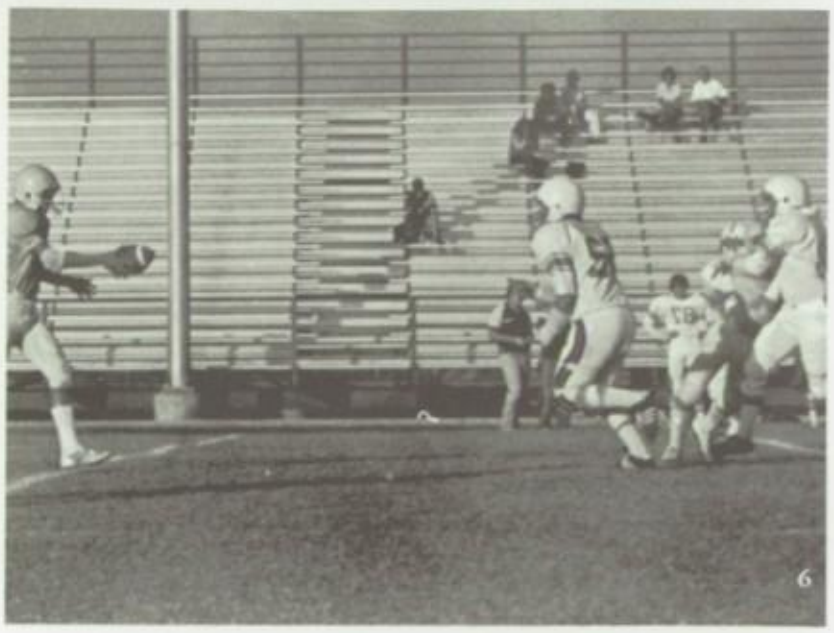
This years Junior Varsity Football team finished the season with a 3-3 record. They faced a lot of tough teams like Peoria, Scottsdale, Tolleson, and Glendale. The Huskies season was plagued by rain-outs, drop-outs, and schedule changes. Independence dropped out of the JV schedule before the season began. Then the Huskies got rained out against East, and then East dropped out before their make-up game could be played. JV's played only 6 out of their originally scheduled 8 games.

This years' Freshman Football team ended up with a 1-7 record. The pups team had many outstanding players and should put together a great JV team for next year.







Swimmers Place 5th In Divisionals

Horizon swimmers finished a successful swim season and placed fifth in Divisionals in the Metro Division. Jodi Postorino placed third in breast stroke with a time of 1:09.25 while Wendy Keller placed third in diving at State. Both girls are now qualified for the ALL AMERICAN consideration. The most valuable swimmer on the team, Jodi Postorino, was announced at the awards banquet. Swimmers and divers were once again coached by Mrs. Connie Keller.

6-2 Strategy Improves Volleyball Season

A new strategy was used for the Husky Volleyball team this year. This strategy was adoped from a system used in many colleges, it proves to work well. The strategy is a 6-2 offense, which consists of three front row setters and all around hitters. Key players for varsity were seniors, Terri Reimers, and Laurie Bray, juniors, Debbie Besler, Laura Hosey and Stephanie Loyd. The varsity team was one of four teams out of ten that qualified for divisionals last October 28th. J.V. placed first in their league with a record of 9-2. Freshman team finished their season in second place at 7-2.

Varsity Huskies Are Too Hot to Handle

The Varsity Basketball team completed the season with a record of 12 wins and 9 losses. The team was much more successful than the year before (80-81) due to the fact that juniors and seniors are playing, instead of sophomores and juniors. The leading rebounder and scorer was Mike Gavin while Bob Breedlove showed himself to be the most improved player.

J.V. Roundballers End Successfully

For the second year the Junior Varsity Basketball team has had a successful season due to the fact that the sophomore, are playing J.V. instead of Varsity, as they were the year before. Some of the players that assumed leadership were Guard John Walsh and Center Brooks Clemmons. Walsh was named leading scorer with Clemmons leading rebounder. Tom Harley has provided the outside threat. Brian Ducynzski showed himself to be the most improved player. The overall season was 11 wins with 9 losses.

The freshman team finished the season with 7 wins and 9 losses. Coach Stanbrough thought the team worked well together all season.

Many things are put into a yearbook and newspaper, but the most important is being dedicated and that's what this class requires.

At the beginning of the year newspaper and yearbook classes were combined into one because of low enrollment. Although newspaper was left unattended for the first six weeks of school everyone worked hard to make Horizon's first Senior yearbook a success. With more students working this year they were able to put an additional 32 color pages including the Senior section and increase the book by more than 40 pages.

After hard work the yearbook was finally completed in February, and except for the supplement which includes the Senior Prom, Baseball and Graduation. Later the class worked together to put Horizon's first literary magazine.

Jazz and concert opened their concert season in December with a Holiday Concert and closed the season with a Spring Concert. Horizon's Jazz and Concert Bands have improved due to more participation. Horizon's Jazz Band attended the NAU Jazz Festival on February 6 at NAU. The Bands in the festival were not ranked against other bands but graded by a scale. 22 Arizona high schools will be attending the regionals this year. Horizon is included in the 22 schools. Regionals will select the best players out of the high schools to participate in Arizona's State Band.

1) Mike Esmay keeps the beat. 2) Flutists Carrie Journey, Jenny Smith and Carol Labedz play the high notes while Lori Jones, Maureen Jones and Denise Sexauer play the low ones. 3) Jim Labedz and Eric Martin provide the mellow clarinet sounds. 4) Sean Reed, Pete Kern, Craig Neuman slide the trombones. 5) Tom Hope plays a "mean" trumpet.

This year was the first year for both Mrs. Bunch and Mrs. Kibler. Mrs. Bunch is the drama teacher this year. She planned two productions, a fall performance and a spring performance. The fall play was a Woody Allen play called *Don't Drink the Water*. It was a comedy about an American family touring a communist country who get chased to the American Embassy for taking pictures of a restricted area. The tourists are trapped there for three weeks before they finally escape. The play was presented for two nights, December 3 & 4, over 500 people attended.

Mrs. Kibler directs Concert Choir, Madrigal Jazz Singers, and Mixed Choir. They performed many times throughout the year singing for a community group called the Buzbee's and for the Horizon Booster's. They also put on a Winter and a Spring Concert and sang during lunch in the amphatheater in a show called "The Time Warp," because they started out singing music from the fifties and worked their way through to the present and concluded the show with the song "Time Warp" from the *Rocky Horror Picture Show*.

Art Department Proves Horizon Proud.

Horizon High School's Art Department students have shown that Horizon is very involved in the Arts. From the State Fair they brought home one exceptional merit award, three firsts, three seconds, three thirds, and eight honorable mention ribbons. Students painted the map of the world in Mr. Kellen's room and painted murals throughout the school. ART IN ACTION has not only painted murals but has also painted windows, such as Saint Nick in the front office for Christmas. The students have also gone to Roadrunner Elementary school and painted children's faces for Halloween. The Art Department has not only grown with the number of students since last year but has established greater dreams. They hope to add the classes ART IN THE COMMUNITY, VIDEO FILM MAKING and COLOR PHOTOGRAPHY, in the fall of '82. Ms. Berrett stated, "I don't want it to get so big that it gets impersoonal." She feels individual attention is important to help students develop their skills to their fullest potential.

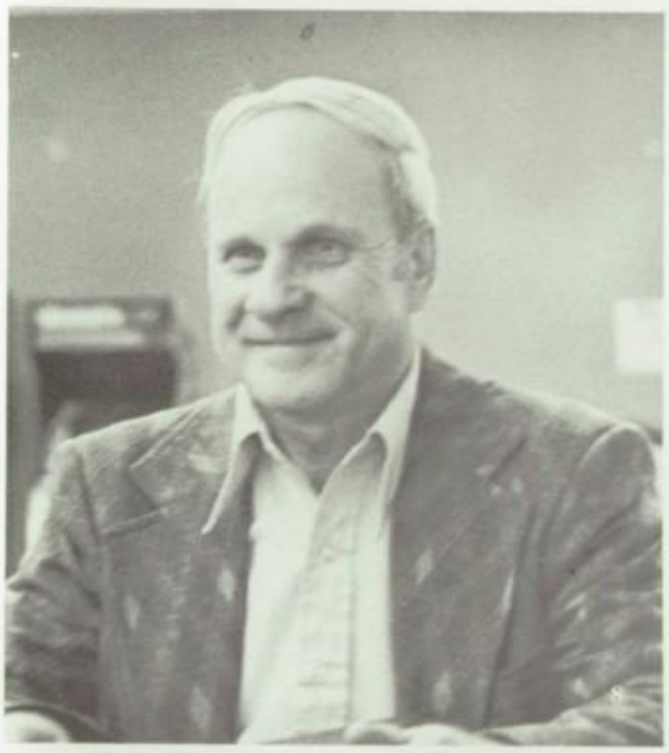
Board Implements New Attendance Policy

The Paradise Valley School Board members this year are Thomas Horne — President, Eric Bistrow — Clerk, Nancie Lane — member, John P. Morgan — member. A few of the many objectives of the board are determining policy for the school district and hiring and firing of employees. They develop credit requirements, diversified diplomas is another of the many accomplishments of the school board. They also decide the attendance policy for all the schools in the district. The district is supported by taxes so a good budget is something our board members strive for.



1) Clerk, Eric Bistrow, listens to reasoning. 2) Tom Horne is President of the School Board. 3) Guy Loehnis, member of School Board, finds humor in the meeting. 4) John Morgan smiles for camera. 5) Nancie Lane gets ready to speak. 6) Dr. Doug Dickerson is the Superintendent for Secondary Education, Clayton Spessard, III, sits back and enjoys the meeting. 8) James Talbott is the Assistant Superintendent for Support Services. 9) Margorie Kaplan is the Assistant Superintendent for Elementary Education. 10) Assistant Superintendent for Personnel Service, Dr. Donovan Miller, laughs at suggestions. 11) Jean Scharrer is the secretary to the Board of Education.

Dear Horizon Students and Friends,

We are now in our second year as a full-pledged high school with a real senior class ready to graduate in May, 1982. Our first year was a year of surprises, compromises, joys, sorrows, as well as immense satisfaction. This school year we have seen our student population grow by over 500 students to 1700 enrolled. Faculty and staff have grown proportionately, our academic offerings expanded and our athletic teams more competitive than most high schools who have been in existance for a number of years.

We started out life as a full AAA school in terms of competition, and also in terms of our goals. We have defined AAA as being Academic, Artistic, and Athletic, and I think the number of students have excelled in each of these areas tells us we have fulfilled that commitment.

This has been an outstanding school year because of the students and staff who are here and the fact that so many of them are really involved. Congratulations to all of our graduating seniors; we have enjoyed being a part of your life. We hope we have left a lasting impression and helped to mold you into the outstanding citizens of tomorrow that our state and country can be truly very proud of as you lead your very productive adult lives.

Sincerely yours,

James F. Gleason, Ed. D.

Media Center Offers First Orientation

1

2

The media center circulates supplies, movie projectors, and televisions to the teachers. The students can use the library for homework, studying or just reading some of the paperbacks. Mrs. Jane the school librarian says, "the media center is used much more this year than last year, and the students are a joy to work with." The library was used for a Freshman orientation for the first time this year. There are two certified Librarians and two clerks.

Counseling staff members work with an individual class for their four years. Mrs. Woodward counsels Seniors; Mr. Sapp, the only part time counselor, advises Juniors; Miss Carmen, head counselor, advises Sophomores, and Mr. Williams advises Freshman. The staff provides advise on academic and personal levels and sometimes works with the entire family. In addition, they do credit checks for all students. Ms. Batko, career advisor, aids Seniors in their college selections and job hunting.

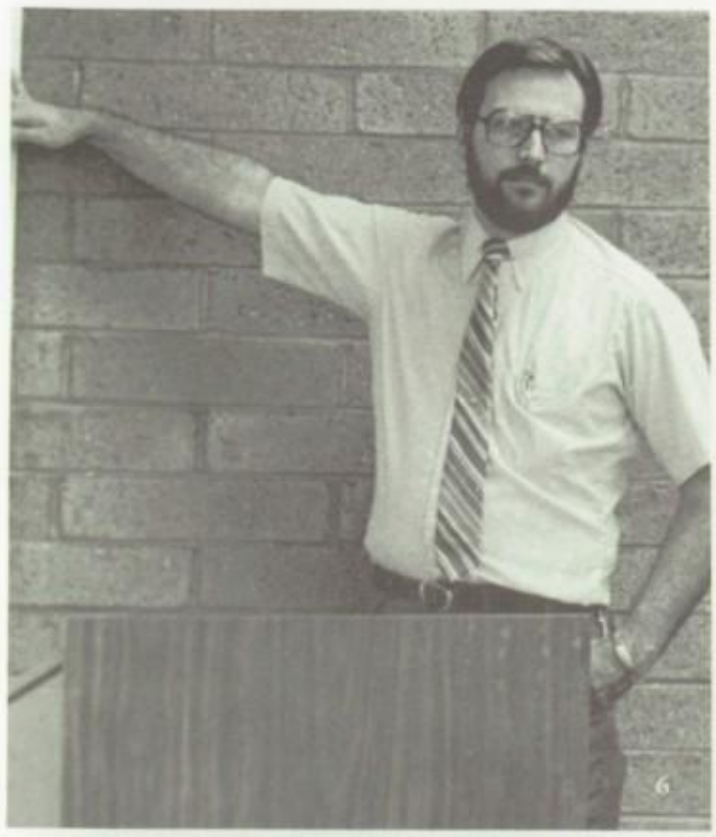
1) Mrs. Jayne is surrounded by her paperwork. 2) Mrs. Perry poses for the photographer. 3) Mrs. Raunig rechecks a book. 4) Ms. Vance checks over her typing. 5) Mrs. Batko finishes up some paperwork. 6) Mrs. Woodward checks over the school calendar. 7) Mr. Sapp looks through Jr. schedules. 8) Mrs. Metters files some student records. 9) Mrs. . Peters prepares a student schedule. 10) Ms. Carman asks Mrs. Metters for advice. 11) Mr. Williams checks through student file.

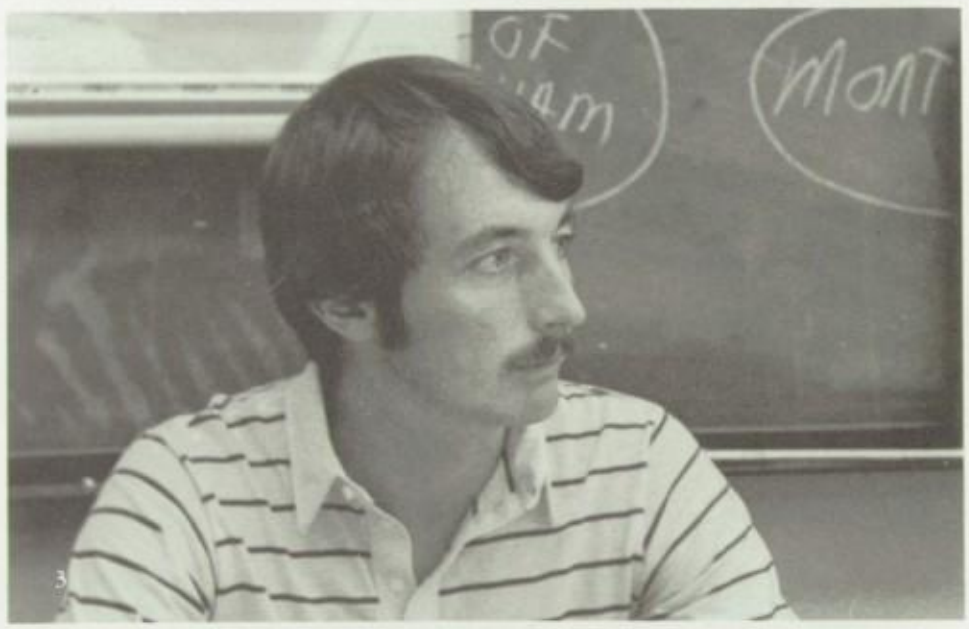
PR Committee Increases Requirements

In an attempt to increase better student understanding of their language, the Program Review Committe voted to change the district English requirements from three to four years. As of 1982, all Freshman and Sophomores will be required to complete four years of English in the Paradise Valley District. Electives will only be offered to the Seniors. Mrs. Gunkle thinks this is a good move because, English is an important part of communication and in order to have good communication you need to learn proper English. College-bound students won't mind the new requirements since most colleges ask for four years of high school English for entrance.

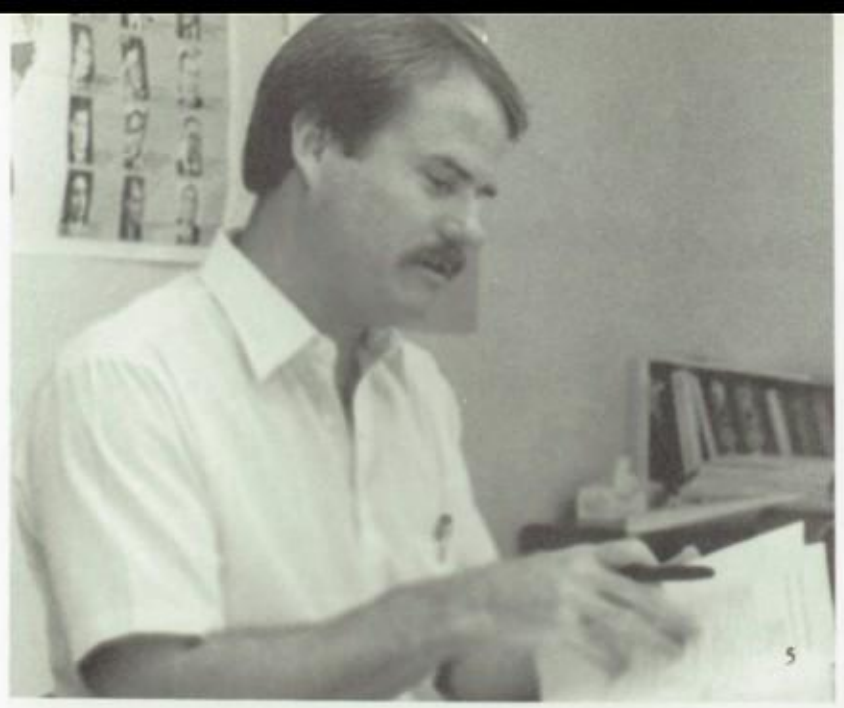


1) Mrs. Gunkle, head of department runs off dittos for English. 2) Mrs. Jackson lectures to her Sophomore English class. 3) Taking a break between classes, Mrs. Jones smiles for the camera. 4) Mrs. Brown passes back tests with a smile. 5) Mr. Oliver pauses during his lecture. 6) Sometimes Mr. Kellen needs to brace himself for an answer. 7) Individual attention is important in Ms. Reed's reading class. 8) Mrs. Popejoy takes a break from her busy day. 9) Phil Culpepper receives help from Mrs. Rosepink. 10) Mrs. Archibald, Kim Marsillo, Richard Gramlich, and Steve Molinari all find something to laugh about. 11) Ms. Jones smiles pleasantly as her class reads a story.

17 Options Offered In Social Studies



1) Mr. Williams definitely knows what he is talking about. 2) Someone must have come up with a new one in Mrs. Neidner's psychology class. 3) Mr. Pierce watches his class with an eagle eye. 4) Between grading papers and keeping the students from starving, Mr. Wells collects his thoughts. 5) If anybody can find it, Mr. Wolf can. 6) It's story time in Mrs. Brayer's class. 7) Mr. Flint is always willing to help. 8) Mr. Hazen takes a break.



5

The Social Studies Department at Horizon offers seventeen different courses ranging from ones necessary for graduation to elective options. Electives include Anthropology which deals with primitive societies, theory of evolution and the concept of race and class systems. Another is Psychology which explores the complex behavior of people. Sociology explores the behavior of people in society. In addition, several programs for accelerated and remedial students are offered.

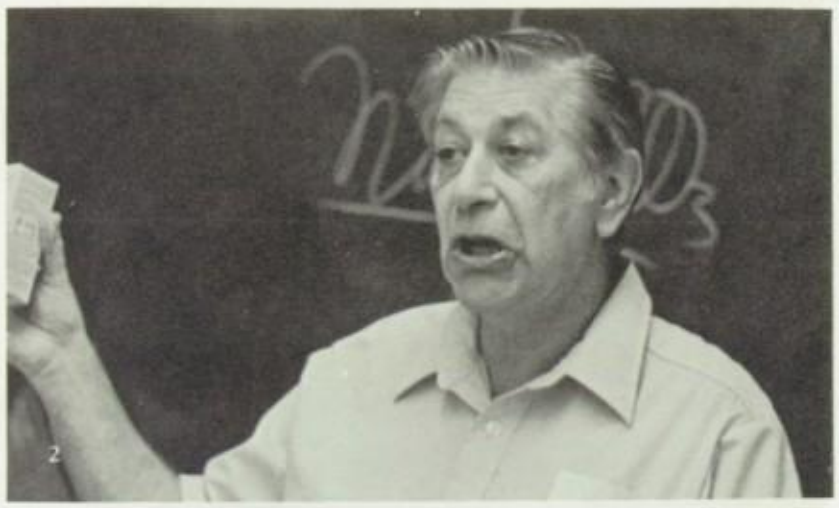
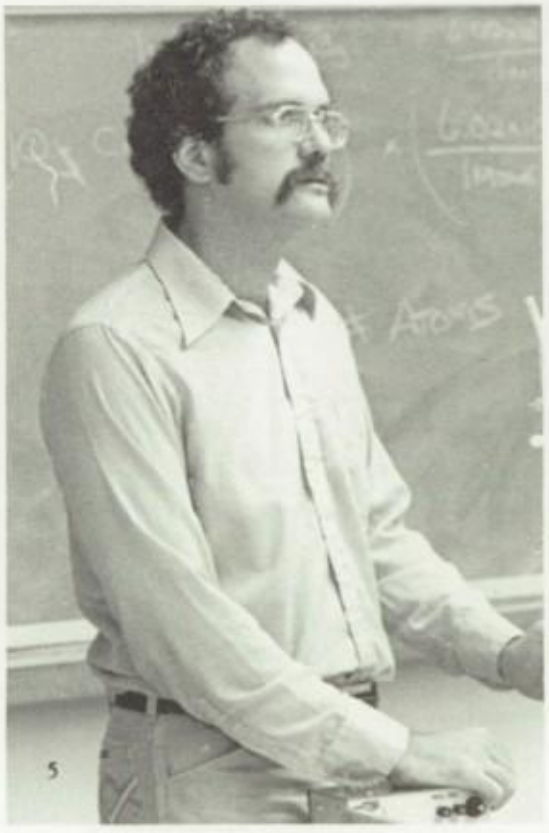
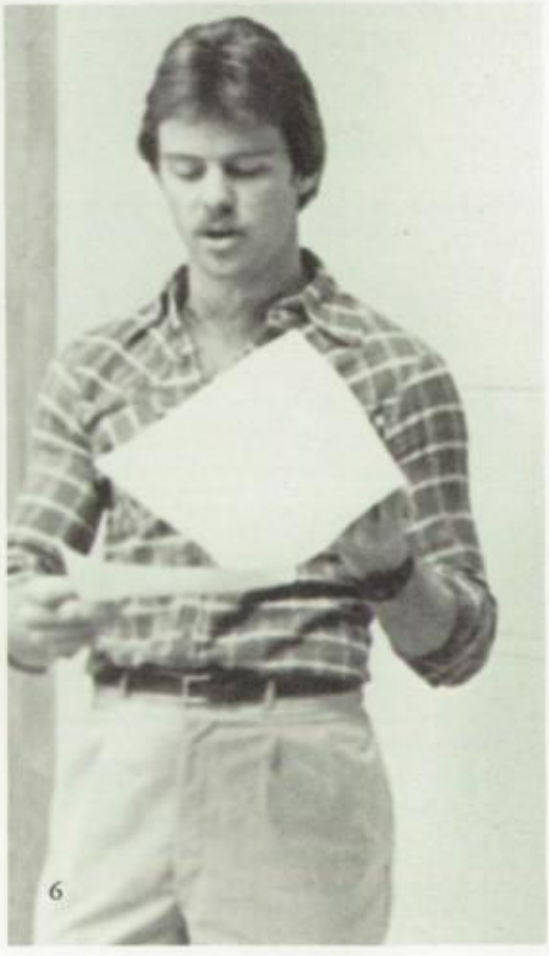
Physics Class Added To Curriculum



The medical careers program here at Horizon is one of the first in the state. Three days a week students learn about various health professions in real hospital settings. Students have opportunities to assist in Emergency room, operating, delivery and nursery, laboratories, administration, and in physical care centers. In addition, students have four to ten hours of classroom study on various subjects.

In addition several advanced placement courses, designed for those students who are academically advanced, are offered in chemistry and biology (a two hour block). Special interest courses in anatomy and physiology, ecology, astronomy and geology are also offered as half semester block for any interested students.





1) Ms. Lowell-Griffin points out the finer points of genetics. 2) Mr. Gottleib makes a point in General Science. 3) Mrs. Moore lectures with expression. 4) Mr. Grace is skillfull in the General Science Department. 5) Mr. Rickard displays his great talent as a chemistry teacher. 6) Mr. Stein quotes a student's work. 7) Mr. MacCarter goes over a homework assignment with Todd Beaton. 8) Ms. Leonhardt lectures to her class. 9) Mrs. Goodrich lectures with little interruption. 10) Mr. Holbrook performs an experiment. 11) Mrs. Moore responds to a student's answer. 12) Ms. Morrison prepares for a busy day.

Apple Computers Aid Math Students

"This school year is 100% better than last year," according to Mr. Jensen, Math chairman. The department has more equipment, more rooms and three more teachers: Mr. Tom Rothery, Mr. John Shovestull and Mr. Dan Smith. Twelve new Apple computers were purchased to aid in advanced courses. Advanced Placement Calculus is also being offered for the first time to provide Horizon Students with a college credit. More sections have also been added for increased enrollment in Algebra3-4 and trigonometry.

1) OK Gonzo, this is the last time, (Mrs. Rodgers). 2) Mr. Bach helps Anita Gettleson with homework. 3) Mr. Meier goes over homework problems. 4) Mr. Smith smiles at a student's answer. 5) Mrs. Linder keeps her grade book up to date. 6) Mr. Rothery gives personal attention to a student. 7) Mr. Jensen finds grading a monotonous task. 8) Mrs. Saunders (student teacher) factors an algebra 3-4 problem. 9) Mrs. Bloomquist helps a student in math. 10) Mrs. Theiken takes homework grades. 11) Student finds Mr. Shovestull teaching very amusing.

Home Economics took on a whole new meaning. With the addition of a new teacher, Miss Searles, a chapter of HERO (Home Economics Related Occupations) has been formed. Enrollment has increased not only in Child Development, Teen Consumer, and Human Relations but in all of the Home Ec. classes. A nursery school was formed in the spring to be operated by the students to learn about child care.

The Business Dept. added more classes to help prepare students for college. All of the teachers except Mrs. Haugen are either new to the district or a transfer from a different school. Even though four teachers were added to the department, the large enrollment couldn't be covered. In addition, the Business Dept. also sponsors FBLA, COE, FSA, and DECA.

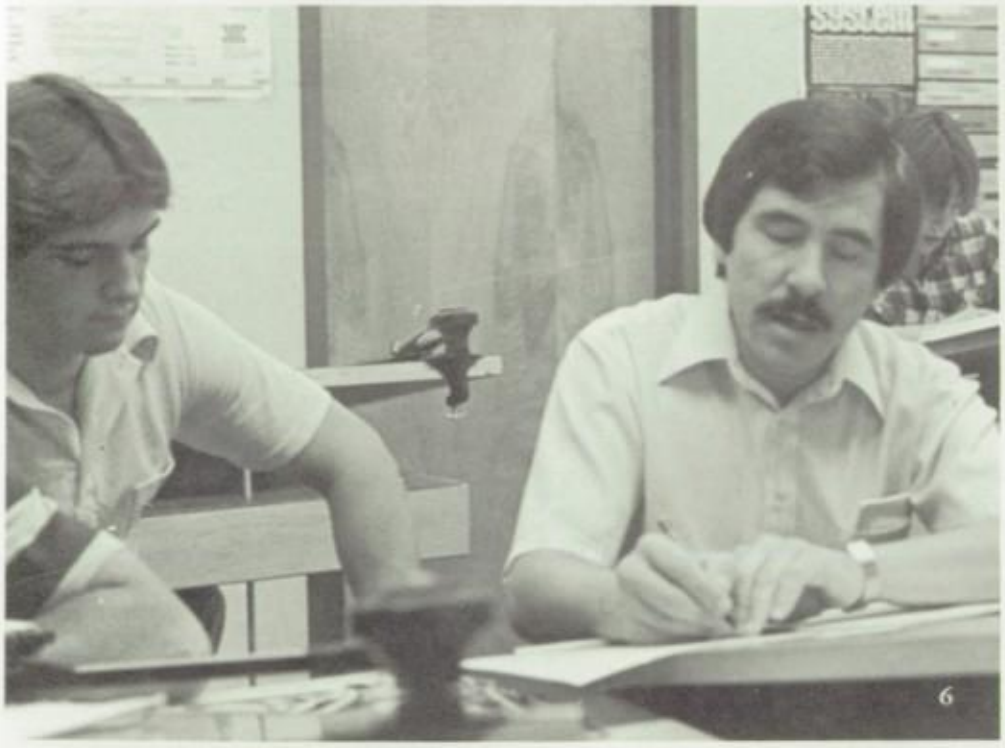
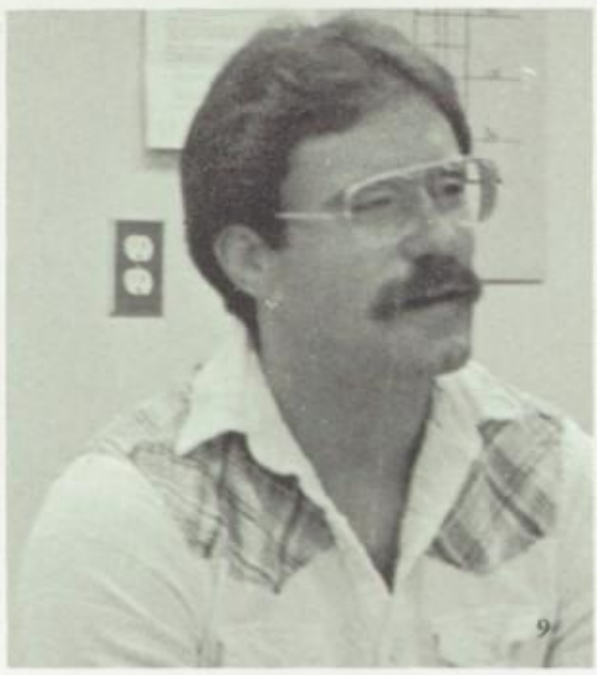
Students Show Interest in Arts Classes

The strength of the Art department, according to Ms. Barrett, is in the excellent building, equipment and support from the administration. The Art department features photography with large darkroom facilities, fifteen potter's wheels for ceramics students; and many props for drawing classes. In addition to the above classes, the Art department offers jewelry, sculpture, painting and lettering classes. In Automotive class students work on rebuilding donated cars. Electronics students learn the principles of electricity and how to build motors and generators. Students in Woods classes become familiar with equipment. The drafting classes are divided into two different kinds of drafting: engineering and architectural. In Industrial and Art departments, students learn by doing.





1) Mr. Hildebrandt takes attendance in automotives. 2) General shop students learn wood crafts from Mr. Verdi. 3) Ms. Bennett makes a point in her photography class. 4) Ms. Berrett takes time to figure grades. 5) Mr. Ramirez teaches a student automotive skills. 6) Kevin Foster awaits his grade from Mr. Vasquez. 7) Mr. Huehne is surprised by a student's drawing. 8) Ms. Berrett is kept busy during lettering class. 9) Mr. Sanford lectures to his class.

Special Classes Meet Variety of Needs

Special Education is a program for students with learning difficulties who need individual attention. The classes offered are the same classes one needs to graduate. These include Math, Science and English at a level each individual can work at.

This year many activities were offered in Physical Education. These ranged from outdoor sports like softball, football and field hockey, to indoor weightlifting, dance, and volleyball. The gymnasium was completed offering the use of weight room, basketball and volleyball courts. Also, students had the use of lockers and showers open to them.

The Drivers Education program at Horizon High School is designed to teach students how to drive safely. This is done by working in simulators, textbook work, and practical driving experience. This program also helps lower insurance premiums for students; taking some of the cost burden off the expense of driving.

Attendance Policy Increases Work Load

The administration had many new changes to begin the school year such as new rules, policies and the computer system for attendance. The attendance personnel had three times the work this year with increased enrollment and having to receive calls from parents excusing absent students. Although the computer sorts through the cards, that are turned in, the staff must compare excused absences to find those students who aren't excused. Other records of students are kept by records clerks Ms. Schock and Wing. The bookstore is headed by Ms. Dorman and Ms. Chadwick. These ladies spent a week before school stocking shelves and preparing for registration. The nurses are also responsible for student records and for care of students when they become ill at school.

Horizon Runs Smoothly With Service Help

Two of Horizon's service departments are Cafeteria and Custodial. The Cafeteria duties are to prepare and serve lunch for Horizon students and faculty. The main duties of the custodial staff is to clean all other facilities in our school. They set up for special meetings and special events including all athletic games. They care for the school grounds including perpetual care of trees and shrubs. They open and close the school on a daily basis. Besides, they are also responsible for security. The custodial staff is a busy department at Horizon High School.

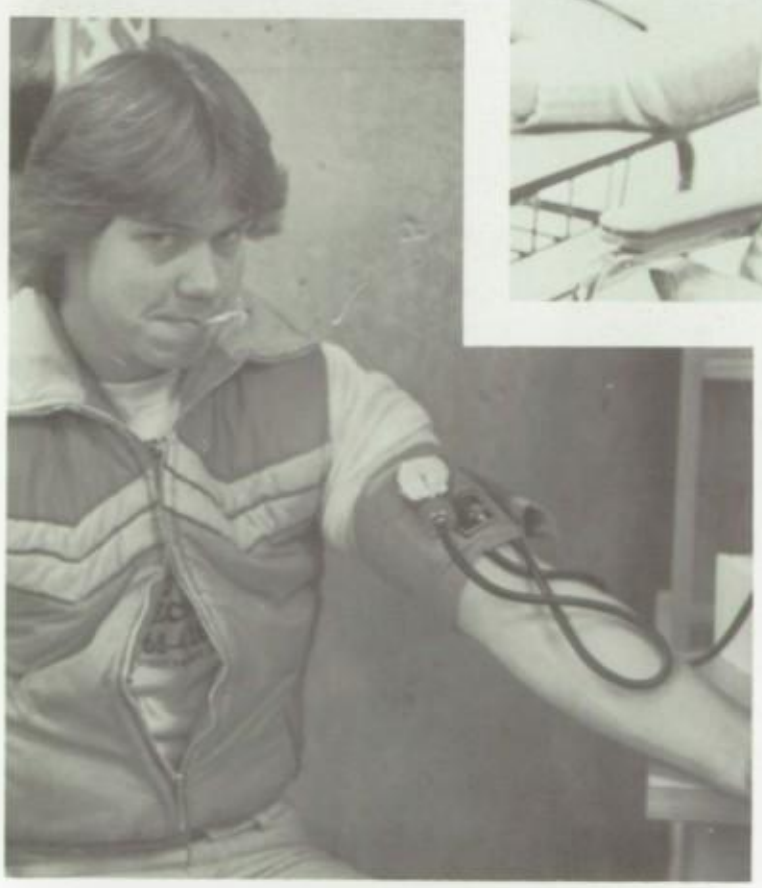
Somewhere down the Road . . .

Somewhere down the road, Our roads are gonna cross again,
It doesn't really matter when.
Those dreams of yours, Are shining on distant shores.
If they're calling you away, I have no right to make you stay.
I understand, More than you think I can.
Maybe we've only just begun, Maybe the best is yet to come.

Our Roads are gonna cross again.

You can always find your way back home,
After you've gone out on your own.
Sometimes goodbyes are not forever, It doesn't matter if your gone,
I'll still believe in us together.
Cause, Somewhere down the road, Our roads are gonna cross again,
It doesn't really matter when.



A Letter from the Editor

As I lie in bed at night listening to the radio, song after song reminds me only of the past, friends I've kept, times I've shared, and places I've seen.

The past is never further than a glance at the sky, yet the future seems miles and miles around the next corner. Through the years, I've accumulated several memories I'll cherish, most of these I experienced in high school.

As I finish my senior year I can only hope the future brings as much happiness. The accomplishments of todays students are greater than ever expected in the past. I never thought I'd be responsible for the production of my senior yearbook. I assure you it would not have been possible without the help of my staff, photographers, and advisor, Mrs. Marie Smith, whose experience made up for our ignorance.

After spending many lunch hours, late afternoons, and plenty of brain work, the final deadline has been met, hopefully on time. The year doesn't end there, however. To the second volume of the Horizon Heritage, Graduation, prom, spring sports, and clubs are the content of the Heritage's first summer supplement.

When I close this book, I will keep my mind open to this year and the years to come. I can't thank my staff and advisor enough for making this year at Horizon one I will cherish for the rest of my life.

In rememberance of this 1982 Heritage,

Debi Hope
